Chatham Scenes

Turning onto Chatham College's Woodland Road from busy Fifth Avenue, it is easy to recognize that our campus is like a peaceful oasis in the middle of the busy city of Pittsburgh. Chatham's campus is rich with perfect landscaping, peaceful scenes, and familiar buildings. For those of us who see it every day, it is easy to say we are inclined to take its beauty for granted. However, as the years go by, and we progress from first-years to seniors we are reminded from time to time that the scenes we take in daily at Chatham will be hard to match once we leave and move on to other universities, cities and parts of the world.

Opening Convocation

Opening Convocation marks the official opening of the school year. This year's Opening Convocation was a memorable one, especially for the graduating Seniors as they donned their caps and gowns for the first time, looking forward to a final year filled with tutorials, traditions, and fun. To officially open "The Year of Japan", the President of Doshisha Women's College in Kyoto, Japan, gave the keynote address. Chatham welcomed several students from Doshisha Women's College as exchange students for the year, while we sent Olivia West off with best wished for her experience in Japan. Another school term began, and students were ready and raring to begin their studies!

Battle of the Classes

Battle of the Classes is a great chance for Chatham women to show their spirit and participate in the week's competitions waging a war of class against class. As traditions would have it, the Class of 1998 Seniors won the week with their spirit and gusto. Maybe next year when those darn Class of '98ers are gone and graduated we'll all have a better chance to sweep the week's contest! Some of the week's events included: A volleyball tournament, Where in the World, Scavenger Hunt, Window Painting, and SONG CONTEST! We all had a great time bonding with out sisters and learning that we can come together and WIN when we try!

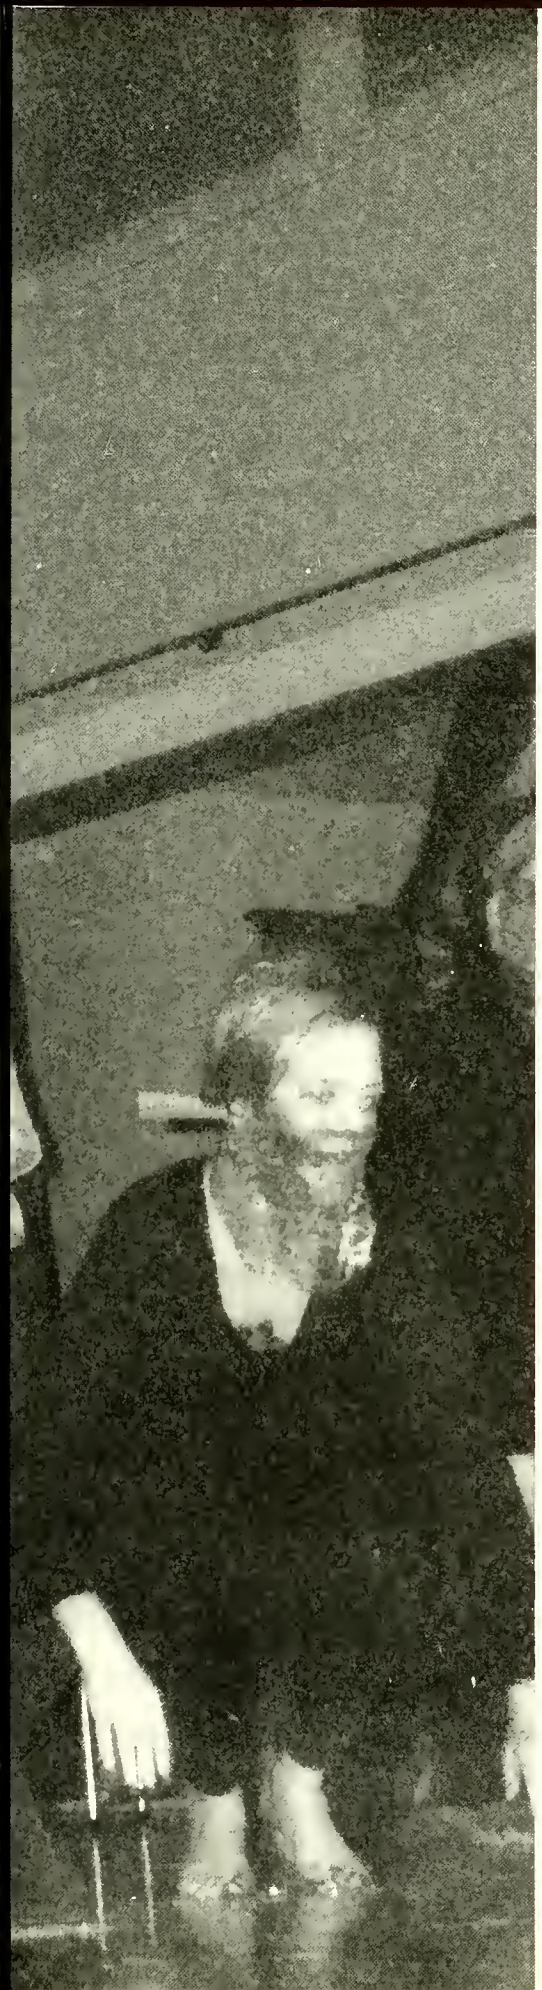
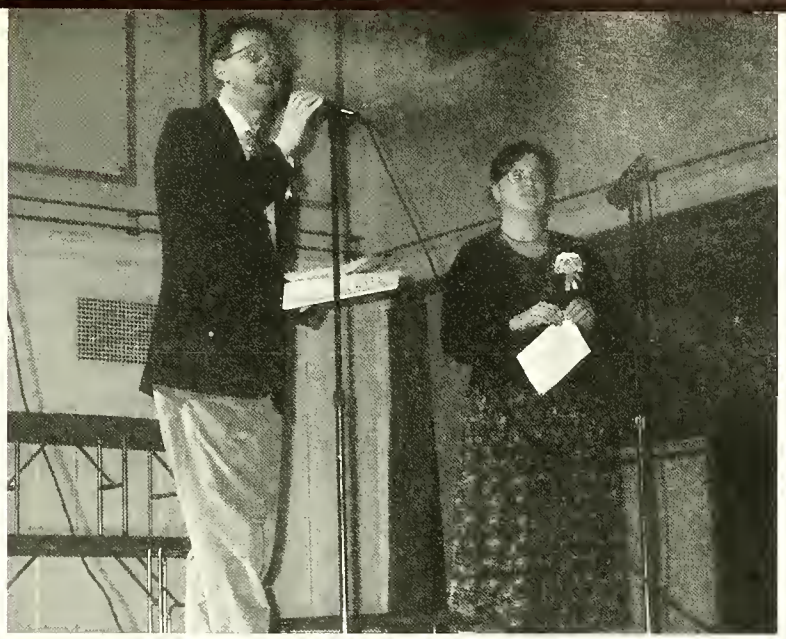
CLASSIC





Song Contest

Song Contest has been a tradition at Chatham for over 70 years. The 1997 competition proved to be as entertaining as ever, with all four classes giving their best performances. Despite strong attempts by the other classes, the Class of 1998 won over the competition in both the Traditional and Original song components for the second year in a row! Their upbeat re-makes of "The Chain Gang" and "The Gambler" (aka "The TUTOR!") won the judges over, and "You are Not Alone" (aka "Chatham is Our Home") complete with pictures of the seniors, made many of us teary-eyed as we reflected on our time at Chatham. The Juniors put on a captivating version of the old show "Laugh In," and the ever-wonderful "Age of Aquarius." As for the first-years and sophomores all we can say is better

luck next year!

Rea Haunted House

Halloween Dinner

The ghouls and goblins were out this frightful autumn evening as Chatham community members stepped out of their usual costumes as students and faculty and showed their true faces. ARA Campus Dining Services provided us with a fun theme dinner, complete with candy and caramel apples, apple cider, and other delicious treats as we watched the costume parade and judging. "Guests" this year included "The Twelve Months of the Year," "the Spice Girls," the traditional "Save the Rainforest Frog", and many others. Of course, the evening would not have been complete without knowing that on Friday, Read House would be turned into a haunted mansion for the evening.

Candlelight

Chatham's enchanting start of the holiday season began with Candlelight Service in the Chapel. Chatham faculty, students, and staff all gathered together to get in the holiday spirit by singing and listening to festive readings. The Chatham College Choir, the Hemi-Demi-Semi-Quavers, and Chatham Baroque again proved their talented musical abilities and captivated the audience with their various selections. Of course, the program ended with the traditional lighting of the candles, and we all moved on to...

Fickes Egg Nog

After Candlelight Service, participants moved across campus to crown into the Fickes Living Room and Sunporch for eggnog, cookies, and other seasonal treats. We enjoyed mingling and showing off our new holiday clothes to our friends. Many students then moved on to the Holiday Ball to "let loose" for the evening and get out all those frustrations before finals!
